Sex is a ritual for me, like taking a shower or brushing my teeth.

It's just a part of everyday life and I look forward to doing it every day. Oh, it doesn't have to be with the same guy or girl all the time, but it's got to be every day.

Sexy Vanessa

SANDY AND ME

What I love most about our summer vacations with a certain couple who are friends of ours is that our husbands go off on elaborate fishing expeditions to places that can only be reached by wading through knee-deep mosquitoes, or some damned thing. This means that Sandy and I get left by ourselves a lot of the time...and that means that Sandy and I get to give each other a hell of a lot of wonderful orgasms.

Last August up in Alberta, Lonnie and Ted headed into the hills for some magical place where you had to carry machine guns to keep the 17-pound trout from jumping into your fish baskets, or some such story. The Jeep was hardly out of sight before Sandy was crunching along the rounded pebbles of the beach, headed for my sunbathing towel... and my horny mouth and pussy.

She squatted beside me and reached over to fondle my tits through my bikini top. A thrill went rushing through my whole body as her skillful fingers found my

Adorable Cory,

Let's face it, I'm stupefied. How does a gorgeous woman like Cory (Chase) end up in your magazine fucking a guy with another woman – who happens to be just as hot? And doing it on camera for all of us to see. She's a cutie little sexpot and I love her sexual spunk. She slinks around the pictures like a wild lynx, pouncing on pussy or cock, whichever suits her at the moment.

Okay, I'm back... it was a three tissue 'excuse me.' Now back to Cory... Yeah, she's hot, clean shaven pussy, and a great ass, and on top of all that she looks half her age. Just like me. I'm into those more mature ladies with all the experience in the world.

nipples and began to stoke the fires. An equally big thrill rushed through me as I stared at the crotch of Sandy's swimsuit. The pale yellow fabric was pulled tight over her womanhood, and I could see the pouting outline of her pussy-lips through the cloth.

The thought of having those pussy-lips pressed against my face, flowing juice so heavily onto my lips and cheeks that my face would glisten with wetness, was enough to make my clit swell and my pussy squeeze tight in horny anticipation of the delights to come. The Canadian sun was hot but I have a feeling we were going to get even hotter.

While she stroked my tits, I reached up and let my fingers tease the tight-stretched crotch of her suit. Her legs shook as my touch got to her clitoris and sent the heat rolling through her. I lightly stroked her over the material and her squirming got even worse? Or better?

In a minute, she was so turned on that she couldn't keep her balance. Not that we wanted to lie and squat

there forever; this piece of the beach was secluded, but not private enough for what we had in mind.

We retired to Sandy's cabin. In the privacy of the little fenced-in space facing the lake, I lay on my back on the sleeping bag Sandy had put there. I don't need to specify, I trust, that both of us had shucked our suits as soon as we had gotten out of sight of anyone.

Sandy's lean and tanned nakedness loomed over me as she straddled my body and got herself into position to put her face into my crotch. I couldn't suppress a gasp of ecstasy as her hairy pussy gaped open in front of my eyes. Her asshole squeezed and relaxed as the currents of lust passed through her.

Her pussy-lips were spread wide by her kneeling and straddling position, and the way the hair stuck to the swollen rolls of her pussy-lips, glued there by the passion juice that had flowed from her fuckhole, was enough to make my clit stand up and scream for mercy.

Sandy gave it no mercy! Her tongue found the super-hot place on the left side of my clit almost instantly, and fire raced through my veins. My moan of joy was muffled by the hairy pussy that Sandy plastered firmly and wetly over my mouth.

I shoved my tongue deep into her slick hole and savored the sweet taste of her pussy juice. By the time I let my tongue come out of her pussy, slide up her gash, and find the stiffened bump of her erect clit, Sandy had three fingers inside my pussy and was churning up my juices... and my nerves.

I don't know where the boys were by then, and I sure as hell wasn't thinking or worrying about it! Sandy was doing great things to my fuck nerves, and the movement and friction of her fingers in my pussy was perfectly timed to the flicking of her tongue on my clit. I matched her loving, letting her pussy swallow my fingers and stirring her hole until it was a boiling cauldron of pure lust.

Sandy suddenly ground her spread-open pussy against my face, her breath hot and uneven against my crotch as the firestorm of her orgasm roared through her. Her pussy grabbed my fingers with convulsive spasms of ecstasy. Having her come like that sent me over the edge, and I joined her in the fiery explosion of unspeakable joy.

When we finished, we rolled to lie side by side, naked and watching the sky and the shapes the clouds were making over the lake. One looked like a giant, white, fluffy penis and we laughed out loud. After a while, Sandy's fingers were back in my pussy. Always polite, I returned the favor...but that's another story. And another orgasm.

CUPS OF JO

I'm a coordinator for a large environmental foundation and I find myself traveling quite a bit during the summer months. Last Spring, I was scheduled to head to a charity dinner in California and chat up some show-biz bigwigs with deep pockets. I wasn't looking forward to spending time with Joe Konoski, the chair of the event. I'd never seen or spoken to him, but I assumed he was probably yet another ass-grabber with a protruding gut. I say that from my previous experiences.

It seemed like every time I went to one of these things, I had to spend half the time spurning unwanted advances from his type. For once, I thought, I'd love to meet a beautiful woman instead. My bi side doesn't get indulged half often enough, and what could better make up for the rigors of a road trip than a little adventure? I can't tell you the last time I hooked up with a female participant. Maybe out her in Los Angeles, I'll have better luck.

The event began and I saw the typical run of middle aged men scouting around like a lion pack. Well, I could barely believe it when I discovered that Joe was actually Jo and a stunning redhead to boot. I'd always been attracted to large-breasted women, and Jo

certainly fit that qualification, so I was immediately smitten. I tried to hold back my giggles, eye flirts, and sexy voice. After the dinner, we sipped mugs of java and talked well into the night. My pussy was wet the entire time, and I kept praying she would want me just a little. I knew I could make her very happy in bed!

I had to forcefully pull my eyes away from the round globes that bulged against the open zipper of her light sweater. The snowflake pattern woven into the fabric made her tits look like two enormous mountain peaks. The rest of her body was just as beautiful: her waist was slim, her ass slightly round and firm, and her face sparkling with clear skin and an inviting smile. I don't think I really heard a word she said all evening. I just hoped my flowing juices wouldn't make a stain on my beige miniskirt.

Finally, I got the nerve to ask her if she'd like to see some project plans in my hotel room. She was very enthusiastic, and we went back there at about midnight. I offered her a drink, which she accepted. We sat down on the plush couch and started talking again. To my surprise, she kissed me first. I was actually surprised, not that it happened, but how quickly. Our lips met and slid around each other's mouth as the lipstick lubed our

lips. A moment later, she slipped her tongue into my mouth and I sucked it in even further.

I wordlessly pulled her on top of me as my wet tongue probed her soft mouth more. Jo moaned as my fingers traced the outlines of her stiff nipples above her sweater. With my other hand, I held her left ass-cheek and mashed her clothed pussy into my own.

We moaned and groaned and groped and before I could slow myself down, I was stripping her, and she returned the favor. Her body was even more beautiful naked. Her white breasts pushed against my own, our protruding

nipples warring with each other.

I stared at them for a minute, trying to decide which one to start with. They both looked enticing so I finally bent my head to suck on one. Jo tasted really sweet and tangy. I just kept sucking one boob, then moving to the other, then doing the same thing over and over. This got her so excited that she took my hand and put it between her slim thighs. I obliged by roaming my fingers around down there.

Her reddish-blonde bush was as saturated as my own. I played with her pubic hair for a while, slowly making my way to her hole. She thrust her hips at my fingers, and three of

them slipped inside her. My thumb rested on her swollen clit.

Then the fingerfucking started in earnest. I swirled my hand around inside her, frantically exploring each doused crease and crevice, sliding them in and out like two mini peniseses. With each thrust she became more and more excited, her tongue lunging against my own.

Then her fingers also went inside my burning hole. We both fucked away, bucking our hips to the rhythm of our mutual want. It seemed only seconds before we were calling out each other's name and begging for more. The pussy-juice flowed like champagne on New Year's Eve as we came over and over again.

We never did get much work done that night, so in the end Jo was forced to return with me to New York to get our next big project underway. Luckily for us both—and the environment—she ended up never going back.

Beth, New York

I used to be a nerdy nerd in high school, but when I went to college, I broke out of that mold and into a more confident one. But I was still shy, sexually. It was on my 40th birthday when one of my girlfriends set me up on a date with this incredibly sexy guy, did I really break out.

That guy did all sorts of things to me that I had not felt before.

They weren't freaky things, but things I hadn't done before.

A co-worker invited me to his summer home for the weekend but I told him it was to be purely platonic.

That is until I got there and saw his friend who he had also invited. It took us less than a few hours to get it on. The only stipulation was that my friend could watch.

Marilyn

Now that was pretty unusual for me, but I decided that was okay. It actually made me hotter and the sex hotter to know someone was watching. I think I gave my best blow job, ever!

*What if your partner starts smoking?
Slow it down and get some lube!*

she was a smoker – and smokin' hot bayfront beauty

SHE WAS BEAUTIFUL, BUSTY AND BLONDE WITH A GREAT SMILE

I escaped to one of the back porches, overlooking a fully illuminated koi pond, but I could still hear the sounds of deals being made and stock tips being bandied around inside the huge bayfront house.

A wildlife artist, I originally got into art to meet women, having heard that artistic women put out. Somewhere along the way, though, I actually got good at drawing. The members of the Art Board had talked me into donating two prints to this fund raiser. Both had just gotten auctioned.

I studied the swimming koi, contemplating drawing them. Then I heard the French doors opening behind me. "Pardon, me," said a soft, polished, feminine voice. "Would you happen to have a light, Sir?"

She was about 45, beautiful, busty, and blonde, with a smile that grew with the length of my stare. She held a long, thin cigarette between her fingers. As I rolled the wheel on my lighter she caught my hand in both of hers. The first thing I noticed, when I could tear my eyes from hers, was a wedding ring with a five-carat diamond solitaire sticking up from it.

When she leaned forward to accept the light, my eyes drifted farther south to an even larger rock attached to a gold chain. That lucky diamond was hanging be-

tween a pair of high, impossibly firm breasts.

She glanced up past the now-glowing tip of her cigarette. Making sure that I knew she was doing it, she gently swayed from side to side, making that chunk of ice swing between her breasts. As the imprints of her nip-

ples grew in her green gown, the diamond slapped against the inside curve of each mound.

"Thanks," she said as she finally straightened her body. "I need this.

My husband doesn't approve of my smoking." I watched as she took in the first drag, her eyes half closing, her lips caressing the tip of the cigarette. Her deep blue eyes were still locked on mine, her fingers moving along the shaft of the cigarette as she held it. When she pulled it from her lips, her bright

red lipstick had marked the tip. She paused, her thumb rolling around the filter in slow, sensual circles. She smiled again, throwing back her head. She drew the tobacco smoke in deep, licking her soft, red lips once more before exhaling the gray trail of smoke in a long, slow emptying of her lungs.

"That's nice, Doug," she said.

"Do I know you?" I asked. How did she know my name?

I ran the tip of my tongue up through the tight folds of her outer pussy-lips. She tasted sweet, the juices flowing as her pussy-lips parted. She was obviously enjoying the oral attention...

"Oh, I think we've noticed each other a few times at events like this," she said. She was right. Her name was Laura, she said, and she was married to one of the City Commissioners, a man rapidly closing in on 60. She was interested in becoming more active in the Bay Area art community, in becoming a patron of the arts, so to speak, "especially with good-looking artists like.

"Oh, by the way, Doug," she added a moment later, touching the cigarette to her lips again, "smoking isn't the only thing I do that my husband doesn't approve of."

Laura guided me upstairs to an empty bedroom. Our first kiss was long and deep, a wet dance of two tongues twirling together that made me as hard as a rock. That formal, gown fell to the floor seconds before I pushed her back on the bed. As I suspected, she was completely naked underneath, and those breasts were way too wonderful to be natural.

She was the perfect California trophy wife: young, tall, and thin, a blonde by choice, carrying about \$8,000 worth of silicone in her gorgeous breasts, and totally shaved where it counted most. Her body was tight and toned, her navel pierced with a gold ring, a tattoo of a dolphin jumping over her bellybutton. That baby-smooth, hairless pussy drew me down. I kissed each nipple along the way, then petted the dolphin with my tongue. I spread Laura's legs with my hands, caressed her thighs. I ran the tip of my tongue up through the tight folds of her outer pussy-lips. She tasted sweet, the juices flowing as her pussy-lips parted. She was obviously enjoying the oral attention, and I was having a great time. I was all set for some serious pussyeating, but she stopped me. "Mmmm," she purred. "No. I want to do you first. I want to suck your cock."

Laura knew her way around a pair of men's pants. She

quickly had my trousers down around my ankles, and my cock out the fly of my shorts. She reached to the ashtray at the side of the bed, taking one more drag on the still-burning cigarette before crushing it out. She took my cock in her hands, cupping my balls and holding my cock the same way she had just held her cigarette.

She licked her lips, then blew out all that smoke in teasing puffs over the full, throbbing length of my cock. Smiling, she touched the shiny red softness of her

mouth against the head of my cock. The tip of her pink tongue came out, wetting the pebbly flesh of my spongy cockhead in wild circles of pure delight.

"Is this one of those things your hubby wouldn't approve of you doing?" I groaned as her tongue lolled over my achingly hard cock.

"No," Laura purred as her lips brushed over the head, leaving red lipstick marks and streaks of glistening moisture on my stiff flesh. "I don't think my husband would approve of my doing this at all."

Laura moaned appreciatively as her lips parted. She looked up into my eyes and drew me in deep, her eyes rolling back the same way they did with that first drag of tobacco smoke on the porch. Her tongue swirled as she rode my cock, her sweet mouth hot and wet and wild all at the same time. Laura was one divine cocksucker. An artist in her own right. In seconds I was ready to come, ready to fill her mouth with a hot blast of the juicy white stuff. I ripped off my jacket and shirt. Holding her head in my hands, I pumped her mouth, driving the head of my cock deep into that pretty face until I could feel the back of her throat. She moaned again, showing me how much she was enjoying sucking me. She looked up into my eyes, silently urging me on.

As she pulled back, a bubble of pre-cum burst against her lips. It strung out, turning that drop into a glistening rope of lust from her lips to the head of my cock.

I thought that she was thirsty for my cum right then, and I was more than ready and very eager to provide. But again, Laura surprised me. She squeezed the base of my hard-on, doing a trick to stay my impending eruption. This was a woman who knew exactly how to stop a man from shooting his load.

“Easy, baby,” she groaned, giving my cockhead one last, wet kiss. “I want you to fuck me.”

As she pulled back, a bubble of pre-cum burst against her lips. It strung out, turning that drop into a glistening rope of lust from her lips to the head of my cock. With a grin, Laura licked up the juice and wiggled her finger for me to join her on the bed. Laura fell back onto the bed, spreading her legs. Her pussy was open now, the butterfly-like outer lips swollen and shiny with lubrication. As I kicked off my shoes, I couldn't help kissing it again. Her clitty rose up to meet my tongue, and as I flicked over it, Laura's hands pulled my face deep into her slippery, wet slit.

I licked her until she shuddered over me in orgasm. I caught her joy-button between my lips, lashing away with little flicks until she came a second time. Her hands turned into claws, dragging me up over that luscious, toned, undulating body. I kicked the pants to my tuxedo free and got my shorts off, staring all the while at that shaved pussy I wanted to ram deep into. Laura grabbed my cock, guiding me into her hot, sweet slit. Her arms went around my neck, her legs rising to grip my body. She pulled me in even deeper. Inside, the body of this rich man's trophy wife was as tight as it was on the outside. She was wet and fiery hot, her pussy clutching at my cock as I began pumping it in and out. Laura moaned into my shoulder, biting my flesh as her breath came out in rhythmic grunts.

“Fuck me,” she kept groaning. “Fuck me. Make me come again, baby. Ooh, god, fuck me!”

I did, and she did, and soon I joined her. Laura's sweet pussy clamped down over my throbbing cock, sucking the cum all the way up from my balls. As it hit, Laura's eyes rolled back into her pretty face, and for a few seconds I was afraid she was going to pass out from sheer delight. Seconds later, I watched her light another cigarette. I've always had a thing about watching women smoke. There is something about that act that pushes my go button. Even though I had just dumped a huge load inside one of

the sexiest women I've ever known, the sight of her lips caressing that white shaft, the way her tongue moved over those soft lips, the way she so obviously loved the sensations of smoking, all of that turned me on. To my surprise my cock started moving, flipping over and swelling.

But was it prudent to start up again? “Don't you think we'd better make an appearance at the party?” I said. “We wouldn't want the host and hostess to wander in here by mistake.”

“Well,” she said as she glanced at the bedside clock. “The host is downstairs, probably in the middle of a fund-raising speech about

now. The hostess is watching her new favorite artist's cock get hard again, and she's thinking how much fun it would be to make him come in her mouth.”

“Damn,” I laughed. “You live here?”

“Yup, and I'd say we have about 15 minutes before my husband comes looking for me,” she said as she caressed my chest with her perfect breasts. Laura sat up in the bed, rubbing the glowing tip of the cigarette out in the half-filled ashtray, that sexy smile of hers crossed her pretty face again. “Now for some real fun,” she whispered as she crawled between my open legs.

Like I said, I got into art to meet women. I think it's working.

I just started doing adult movies a few years ago. The first was a private one I made for my husband's fifteenth birthday. When we watched it together, it was a real turn on and we've been making more of them ever since.

Karina

Then I graduated to more professional videos. You know, better make up, a stylist and wardrobe. Better locations. All in all, I like it more now and feel sexier now. But I still haven't done one with a real blood and flesh partner, but maybe soon.

I love letting loose

A few years ago, I never would have thought that I'd be having a three-way with my best friend and a man, let alone one as young and hung as this guy. When we knew we wanted to do it, we practiced with a dildo. We didn't know how large the guy would be,

Sophia & India

but wanted to be ready in case he was really big. So we practiced in our pussies as much as we could stand. We do admit, that the real thing was much more fun than the plastic one.
